Centralville Friends for Improvement, Revitalization & Enforcement (C-FIRE) Lowell, MA

Funded by the Byrne Criminal Justice Innovation Program, US Bureau of Justice Assistance

Lead Agency: Lowell Police Department

Research Partner: University of Massachusetts Lowell Center for Community Research & Engagement
Centralville Neighborhood

- **Lowell MA**
  - 108,800
  - 60% white, 20% Asian, 7% Black/AA, 17% Hispanic
  - Home to many immigrants and refugees
  - 17% below the poverty level (11% state)
  - 7.4% unemployment rate (5.6% state)

- **Centralville Neighborhood**
  - Influx of working class immigrants
  - 12,536
  - 58% white, 14% Asian, 8% Black/AA, 21% Hispanic
  - 16% below the poverty level
  - 8.2% unemployment rate
Why Centralville

- In 2011:
  - Accounted for nearly 20% of all crime;
  - Highest number of code violations;
  - Highest number of foreclosures; lot of absent landlords
  - 21% of all ex-offenders released from incarceration return to Centralville; and
  - 2nd highest rate of juvenile crime

- Strong neighborhood support

- Pre-existing collaborations

CFIRE Goals

- Decrease violent and property crime by 15%
- Decrease drug crime by 10%
- Reduce recidivism rate of ex-offenders by 25%
- Create neighborhood safety awareness and activism
- Provide positive opportunities for at-risk youth
- Provide opportunities for at-risk youth to gain work experience
- Reduce truancy by 20%
- Intervene with at-risk youth to deter future criminal behavior
- Decrease foreclosure rate by 10%
- Reduce neighborhood disrepair
- Increase neighborhood revitalization efforts
Partners Working with Youth

- United Teen Equality Center - Outreach, Reentry and Youth Services
- Boys & Girls Club of Greater Lowell - After-school Programming
- Career Center of Lowell - Summer Jobs
- International Institute - Truancy Prevention
- Parks and Recreation Department - Sports Programs
Revitalization Partners

- Mill City Grows - Community Garden
- Coalition for a Better Acre - Foreclosure Prevention & Financial Literacy Training
- Department of Planning and Development Neighborhood Impact Team – Code Enforcement
- Centralville Neighborhood Association Group - Planning & Input
Suppression Partners

- Lowell Police Department - Suppression, Enforcement & Home Visits
- United Teel Equality Center - Outreach, Reentry and Youth Services
Facilitate planning meetings of the three committees (youth, revitalization, suppression)

Assist groups with overarching logic model

Help identify evidence-based and innovative crime prevention and reduction strategies

Assist each partner with their own logic models including measurable objectives

Document/Gather baseline data (existing and new)
Logic Model 1

**Context:**
- Home to 3,341 youth between the ages of 5 to 19 and youth violence is a significant concern.
- Nearly 7% of all 2011 arrestees were juveniles; Centralville experienced the second highest rate of Juvenile crime in the City.
- Fifty-one students from Centralville schools were absent for 25 days or more at the end of the 2010-2011 school year.

**Inputs:**
- Resources for surveys, staff, online resources, workshops and community forums.
- Substantial resources from City of Lowell, citizens, community agency, and academic partners.
- Promotion by our partners to increase participation and feedback on projects.

**Outputs:**
- BGCGC: Club orientations, youth development programs, free memberships, meal program, Centralville based community service projects.
- Career Center: Summer employment for youth ages 14-21, orientation, employment related workshops, personal finance workshops.
- GLTHS: Mentorship, educational programming for MCAS, community service projects.
- INE: Home visits, culturally appropriate school orientations for parent(s) and student(s).
- LPD: Park programs to deter drug use, criminal behavior, and truancy, anti bullying and gang presentations.
- Parks and Rec: Various activities with a focus on sports fitness and recreation, the arts, and youth employment.
- UTEC: Workforce Development, street outreach, transitional coaching, wraparound services, conflict resolution.

**Outcomes - Impact:**
- Long Term: Provide positive opportunities for at-risk.
- Mission: Centralville youth to engage in creative programming, physical activities, & interact with peers in a positive & safe environment.
- Vision: Provide opportunities for at-risk.
- Centralville youth to gain work experience.
- Reduce truancy of Centralville students by 20%.
- Intervene with at-risk youth to deter future criminal behavior & decrease crime rate.

The mission of the youth subcommittee and its partners is to create and facilitate the development of community based programs in order to promote the voice and interests of Centralville youth; expand prevention and intervention services; and offer youth workforce development and opportunities to achieve a better quality of life for Centralville residents.

Centralville strives to be one of the best urban environments in Lowell by addressing the roots of crime and poverty and creating opportunities for sustainable growth and development.
Logic Model 2

**CONTEXT:** Centralville
- historically working class neighborhood, has been severely impacted by the recent economic recession
- highest foreclosure percentage of any other neighborhood in Lowell
- highest number of Sanitary Code, Building Code, Zoning Code and Trash complaints occurred in Centralville
- highest overall crime rate in the City

**NPUTS**
- Investments
  - Resources for surveys, staff, online resources, workshops and community forums
  - Substantial resources from City of Lowell, citizens, community agency and academic partners
  - Promotion by our partners to increase participation and feedback on projects

**ACTIVITIES**
- Trash receptacles on the streets that have the most trash
- Large dumpster
- Recycling containers
- Solid waste containers
- Event around the receptacles
- Include local businesses in the neighborhood cleanup efforts
- Outreach, speak to owners about why it is important
- Provide cleaning products/tools if necessary (if this was said)
- Recognize business that show improvement or choose to participate in the clean-up initiative
- Micro-Grants to residents to cleanup
- 18 bed community garden to be built on west 3rd St on April 27th
- Kickoff event for community development
- Mobil Market pilot program classes, workshops, demonstrations, samples, Healthy Corner Store Initiative
- Residents will be trained to become community trainers & become the eyes and ears of the garden
- 30 foreclosure workshops
- 20 post purchase workshops

**Outputs**
- Participation
  - Community Partnerships
  - Centralville Neighborhood Action Group (CNAG)
  - Parks and Recreation
  - LPSS
  - Career Center of Lowell
  - Boys & Girls Club of Greater Lowell (BGCL)
  - United Teen Equity Center (UTE)
  - International Institute of New England (IINE)
  - Coalition for a Better Acre (CBA)
  - Mill City Grows (MCG)
  - UMass Lowell - Academic researcher

**OUTCOMES - IMPACT**
- Long Term
- Mission
- Vision
- Decrease foreclosure rate in Centralville by 10%
- Reduce neighborhood disrepair
- Increase neighborhood revitalization efforts
  - The mission of the revitalization subcommittee and its partners is to encourage community involvement, foster positive community development, and promote a culture of revitalization and reinvestment to achieve a better quality of life for Centralville residents.
  - Centralville strives to be one of the best urban environments in Lowell by addressing the roots of crime and poverty and creating opportunities for sustainable growth and development.

**EXTERNAL FACTORS:** Changes in community economic climate (recession effects); reduced staffing levels at City Depts.; demographic shifts

**ASSUMPTIONS:** High rate of absentee landlords, foreclosures, juvenile delinquency, returning ex-offenders, drug and drug-related crime and chronic crime hotspots
Logic Model 3

LAW ENFORCEMENT COMMITTEE LOGIC MODEL

**Inputs**
- Resources for surveys, staff, online resources, workshops and community forums
- Resources from City of Lowell, citizens, community agency and academic partners
- Promotion by our partners to increase participation and feedback on projects
- LPD Crime data, analysis, mapping
- POP patrols
- UTEC Street workers & Trans Coach
- Assessment surveys
- Social service agencies
- Resources from City of Lowell, residents, community agencies, academic partners

**Activities**
- Conduct crime analysis
- Identify 5 crime hotspots
- Deploy 80 problem-oriented policing patrols in hotspots
- Street workers complete 30 conflict resolutions between gang sets
- Street workers engage 30 youth involved in crime and gang violence (UTEC)
- Conduct 74 home visits for chronic drug offenders
- Conduct 50 surveillance & crackdowns of drug-nuisance properties
- Conduct 300 home-visits of ex-offenders reentering Centralville and connect them to available social services (LPD)
- Utilize assessments & surveys to evaluate 80% of returning ex-offenders (LPD)
- Street workers refer 15 ex-offenders to wraparound services (UTEC TC)
- Community awareness activity
- Community activism activity
- Lowell PD
- Community Partnerships
- Centralville Neighborhood Action Group (CNAG)
- Parks & Rec
- LPSS
- Career Center of Lowell
- Boys & Girls Club of Greater Lowell (BGCL)
- United Teen Equity Center (UTEC)
- International Institute of New England (IIINE)
- Coalition for a Better Acre (CBA)
- Mill City Grows (MCG)
- UMass Lowell – research partner

**Outputs**
- Decrease violent and property crime by 15%
- Decrease drug crime by 10%
- Reduce recidivism rate of returning ex-offenders by 25%
- Create neighborhood safety awareness and activism

**Outcomes - Impact**
- Long Term
- Mission
- Vision
- To make Centralville a better place to live, work, learn, and play by creating a future that secures and maintains a higher quality of life for residents.
- Centralville strives to be one of the best urban environments in Lowell by addressing the roots of crime and poverty and creating opportunities for sustainable growth and development.

Research Partner Roles

Implementation

- Work with LPD and partners to develop customized reporting tools, assist with reporting
- Work with partners to develop/refine data collection tools
- Develop database to document/analyze outputs and outcomes
- Collect and analyze process evaluation data from partners
- Facilitate community conversation with CNAG and residents about neighborhood priorities
- Troubleshoot with LPD on challenges/issues
- Analyze data to ensure that a comprehensive continuum of solutions is implemented
- Create infographics
Data Collection Tool Example

Outcomes & Recommendations

Centralville Friends for Improvement, Revitalization and Enforcement (C-FIRE) Program Report: Youth Efforts

FOCUS AREAS & OUTCOMES

- Environment
- Work Experience
- Truancy
- Criminal Behavior

Outcomes:
- Provide positive opportunities for at-risk youth to engage in creative programming, physical activities, and interact with peers in a positive and safe environment.
- Provide opportunities for at-risk youth to gain work experience
- Reduce truancy of Centralville students by 20%
- Intervene with at-risk youth to deter future criminal behavior

DID YOU KNOW?
When the community focuses on youth, everyone benefits!

YOUth volunteering has increased steadily over the past 10 years, with 30% of youth participating in volunteer activities at least once a month. Teens in the US volunteer 2.4 billion hours annually – worth an estimated $34.3 billion to the US economy.

Each young person who disconnects from school or work costs an estimated $704,020 over his or her lifetime in lost earnings, lower economic growth, lower tax revenues and higher government spending.

KEY FINDINGS & ACHIEVEMENTS

152 Centralville youth participated in Boys and Girls Club activities:
- 144 involved in physical activities and fitness
- 152 in after school educational programming
- 152 received healthy meals/snacks

60 youth participated in leadership clubs at Boys and Girls Club

22 youth participated in a community service event

15 Centralville youth also completed 3 community service projects

38 youth participated in financial and employment workshops in order to learn skills and techniques that will help them better prepare for future employment opportunities

The Career Center of Lowell has provided summer jobs to 36 youth since the start of the grant. These youth work for an average of 25 hours per week for 6 weeks in the summer and earn on average $1,000-$1,200.

The International Institute has focused on school retention and reduction of truancy for non-native youth and families and has conducted 45 home visits and 62 contacts with parents and students in an effort to increase their school attendance rates and grades.

The City of Lowell Parks and Recreation Department has provided 618 youth with extensive summer 'programming in Centralville. Youth were able to take advantage of arts and crafts and various recreational activities. 109 Centralville youth were hired to support these programs.
**MILL CITY GROWS**
Fosters food justice in the City of Louisville by creating urban food production sites, food access through markets, and empowering residents through education to grow their own food.

**Centralville Community Gardens**
- **18 Families**
- **2420 lbs of vegetables grown**

18 garden plots were assigned to 16 gardeners and their families, totaling 65 individuals that benefited from the garden.

**School Garden**
- **1700 hours worked**
- A school garden with 5 raised beds was designed, planned and installed for the Robinson & McAlvile Schools, making it two new gardens built in one year!

**Centralville Mobile Market**
- **Over 220 lbs of produce distributed**
- **Over 60 residents have attended mobile markets**

All short term goals leading to the long-term outcomes of reducing neighborhood disparities and increasing neighborhood revitalization efforts have been achieved by 75% or better.

**Gardener Training Workshops**
- **25 Centralville residents attended gardening workshops**
- **Expanding the Growing Season**
- **Preserving the Harvest**

Mill City Grows offered 11 workshops on organic gardening techniques to the West Third Street gardeners at no cost.
COALITION FOR A BETTER ACRE

C-FIRE is a collaborative effort funded by the City of Lawrence and the state of Massachusetts to decrease crime, increase resident safety, provide positive alternatives to at-risk youth, and enhance the Centralville neighborhood revitalization efforts.

$1,563 → $18,756
Mortgage Modifications

Seven homeowners achieved mortgage modifications resulting in a combined reduction in mortgage payments of $1,563/month, or $18,756 annually. The average reduction is $300/month, ranging from $24 to $460/month per homeowner.

15 Centralville homeowners received 57 hours of counseling

They were able to discuss their financial situation and the options available for them to achieve sustainable homeownership. Seven achieved a positive outcome: 3 received modifications to their mortgage and 1 received a forbearance.

43 residents

43 Centralville residents were positively impacted by foreclosure counseling received. Most are low-income residents.

C-FIRE CBA Program Mission

The Coalition for a Better Acre provides foreclosure prevention education, counseling, and financial literacy to residents of Centralville.

Program At a Glance

$16,583
1 homeowner saw a principal reduction of $16,583

100%
of counseled homeowners are expected to have sustainable homeownership over the long-term

CITY OF LOWELL PARKS AND RECREATION

TINY TOTS DAY PROGRAM

- 20 CHILDREN ENROLLED
- 11 of the 20 are from Centralville
- 5-10 YEARS OLD
- 10-2PM WEEKLY ON SATURDAYS

ACTIVITIES
Tiny Tots offers various activities including sports, arts, and crafts classes. Parents are encouraged to participate in the program, like sports balls, jump ropes, and arts & crafts items.

40 YOUTH HIRED
Lowell Parks and Recreation hired 40 Centralville youth with a goal of providing positive opportunities for all. The trend is increasing youth outreach and engendering a sense of responsibility to the community. The youth hire increased from 11.3% last year to 13.3% this year.

90% of youth felt very confident about their work readiness skills.

90% of youth were confident about their communication skills on the job.

95% youth attendance rate during summer employment.

The majority of youth hired had positive feelings about their job placement (86%). Staffs they just improved their time management skills.

SPORTS AND ARTS & CRAFTS
The number of children participating in programming increased with C-FIRE funding.

TEENAGE
- 47 youth participated in tennis
- 47 at the Gage site & 6 at the McPherson site

SWIMMING
- 41 youth participated in swimming at the McPherson site

ARTS & CRAFTS
- 88 youth participated in arts & crafts
- 43 at the Gage site & 45 at McPherson

TAKE KROWN DO
- 41 youth participated in taekwondo in the basement of the Gage site

C-FIRE
- 375 Merrimack St
- Basement, Room 7
- Lowell, MA

C-FIRE is a collaborative project funded by a Byrne Criminal Justice Innovation grant to decrease crime, increase resident safety, provide positive alternatives for at-risk youth, and enhance the Centralville neighborhood revitalization efforts.
